

To Whom It May Concern,

Lisa Sweet and Edgewood Consulting were hired as a consulting firm to help us with our Implementation of Salesforce.com platform within our enterprise. Lisa has shown absolute professionalism throughout the project, and as we were somewhat inexperienced in the beginning she managed to grasp our needs and put them in place at an astonishing speed. The high level of technical expertise, professionalism and competence that Lisa and Edgewood brought on board, can only be described as an absolute must for anyone looking at implementing Salesforce.com platform in their enterprise. Be it Marketing, Sales processes, customer support, order tracking and fulfillment, forecasting or any other feature of the platform, Lisa and Edgewood Consulting have shown outstanding expertise and ability to deliver under any pressure and to ability to find a solution to just about any need we had.

Best Regards,
